Dear Mr. Ranga Rao,

With reference to your D.O.No G. 14389/Med dated the 30th May 1929, about the appointment of Miss K.S. Captain, I enclose for your information a copy of the further communication dated the 12th June 1929 received from her, requesting that she may be given a Salary of Rs 600/- at least to start with.

The Lady whom she refers to in her letter is evidently Miss Slater; but although Miss Slater was an M.B.B.S. (London), she ~~had~~ had nearly 24 years of practical experience while all that Miss Captain can lay claim to, is perhaps a few months' experience as R.M.O. of the Cama Hospital.

I solicit further instructions of Government in the matter.

Yours Sincerely

I am in receipt of your letter dated the 31st ultimo. I thank you for the same.

The terms of service that you have been kind enough to offer do not seem attractive to me. I understand that an M.B.B.S. (London) is getting in your service Rs 500/- a month. You would appreciate that I have had to proceed far higher in attaining my qualifications, after taking the degree of M.B.B.S. of London. After obtaining the degree of M.D. of London D.T.M. (lond) & L.M.(Dub) I have had extensive postgraduate courses in Geneva, Vienna and Edinburgh and as an R.M.O. of the Cama Hospital, Bombay, I have had considerable practical experience. I therefore request that you will see your way in getting me a salary of Rs 600/- at least to start with.

My dear Sadik Shah,

I have ~~an~~ occasion to write to you in respect of a post of a Lady Doctor at the Victoria Hospital, Bangalore, for which my sister Dr. Khorshed Captain has applied. She was informed that the Mysore Government wanted a very highly qualified Lady Doctor in their service and she believed that her qualifications would satisfy their requirements.

She is an M.D., B.S., (London),
D.T.M. & H. (England),
L. M. (Dublin) and
M.B.B.S.,(Bombay).

She has worked in the Hospitals on the Continent and holds a certificate of the Vienna University for post-graduate work done by her in their Hospitals and Clinics. She has also had experienc in India having filled the post of the Resident Medical Officer of th Cama & Allbless Hospitals for 3 years. She also held the post of an Honorary Pathologist in the same Hospital and she is now an Honorary Physician in the same Hospital.

She had some correspondence with Dr. Subba Rao, the Senior Surgeon to the Mysore Government, from which I see that he is offering her a salary of Rs.400/- and an allowance of Rs.100/- to start with.

My sister is of opinion that she should atleast get a starting salary of Rs.600/- having regard to her qualifications and experience. A Bombay Lady, Miss Jhirad, who filled this post a few years ago, also a London M.D., was started by the Mysore Government on a salary of Rs.600/-. My sister's qualifications are even superior.

I understand that the determination of the salary is in the hands of the Mysore Government and that the Senior Surgeon has referred the matter to the Mysore Government.

Last Sunday I was at Poona and I happened to mention the matter to Jalal Shah and he believed that you might be able to assist my sister in the matter and suggested that I should write to you. If you can do anything to assist my sister in this matter, I shall feel very grateful. The salary which she is asking for, is the salary which the Mysore Government had given to Lady Doctors of even inferior qualifications to hers and she sees no reason or justification for starting on a much lower salary.

In order to enable you to fully appreciate the position, I enclose herewith a copy of my sister's application to the Senior Surgeon to the Government of Mysore and her testimonials. I shall feel very thankful if you can do anything to help my sister. I am sorry to give you this trouble.

I hope I shall have the pleasure to meet you in Poona in August or September next.

With my kindest regards,

I remain
Yours sincerely,
M. S. Ephraim

Miss K. S. Captain has been a student of the Royal Hospital and School of Medicine for the past year, during which time I have seen a good deal of her in the Surgical Wards and Out-patient Department and Surgical Classes. I consider that Miss Captain has a very good working knowledge of the theory and practice of Surgery, and she should make a very efficient resident.

She has worked well here in a very responsible position in the Medical Surgical Obstetric and Childrens Wards of this Hospital. She comes from a very respectable and highly talented family. I am sure she will give complete satisfaction wherever she works. As a Physician, she is exceptionally good and I recommend her strongly to any institution or Hospital requiring the services of a competent conscientious Doctor.

I have known Miss Khorshed Captain, M.D.,B.S.,D.T.M. (Lond.), L.M. (Dublin), for over two and a half years now through work at the Cama Hospital. She has been acting R.M.O. for nearly two years, during which time I have had ample opportunity to watch her work.

Before returning to India, Miss Captain spent a very useful time on the Continent particularly at Vienna taking post graduate courses in various gynaecological and obstetric subjects.

As R. M. O. at the Cama Hospital, she has had great opportunities for developing her obstetric and gynaecological as also general medical practice. She has acquired great skill in tackling all obstetric emergencies, including caesarian sections.

She has also had ample opportunity of doing most of the major gynaecological operations. Miss Captain has always shown exceptional ability in her work. She keeps a clear mind, a steady hand and possesses great self-confidence, qualities which are essential for the successful practice of Surgery. Indeed, she promises to do well in that branch.

I am sure if her abilities are given a proper scope for development, she will do credit to any Institution she takes charge of.
